

### Science

This half term we will be recapping different materials and their properties. This will be linked to our topic of castles. We will test different materials in order to identify which one would be best to create a knight's shield.

### English

We will be focusing on fairytales looking at the different features of these texts. We will be looking at the story of Rapunzel and creating our own story.

### Humanities

This term we will be looking at castles within the UK and how we can use a map to locate these. We will also be comparing castles from around the world.

We will also be looking at castles and the key features of castles.

### Maths:

During this Term we will be focusing on these areas:

- Ordering numbers to 10.
- Counting, reading and writing numbers to 10
- Comparing numbers

**Year 1**  
Are all castles full of turrets and tiaras?

### RE- Christianity

We will be focusing on friendship; our key question will be:

- Was it always easy for Jesus to show friendship?

We will be looking at friendship stories from the bible.

### ICT:

I can explore and experiment with digital technologies and can use what I learn to support and enhance my learning in different contexts.

This will be done through the following skills:

- Using a mouse or track pad
- Switching devices on and off
- Using applications and windows

### Art/D&T

We will be designing and creating our very own junk model castles.

We will also be creating artwork such as:

- Designing a carriage for Cinderella
- Creating a crown/tiara

### PE:

We will be focusing on Multi Skills. We will develop balance, agility and co-ordination, and begin to apply these in a range of activities.

### PHSE:

We are going to think about our rights and responsibilities as a member of the class.
