

Science

This term we will be looking at animals including humans. We will be focusing on the human body and how we use it. We will look at what to do if any of the body parts got broken. Also, the senses that go with them.

We will also look at seasonal changes with a focus on Autumn.

English

To begin the year we will write captions and understand what makes a sentence. We will then look at Traction Man and write a Non - Chronological report. In the second half of the term we will write a repetitive story and a recount postcard for the Jolly Christmas postman.

Humanities

To begin with, we will look at how Toys have changed over the last 50 years. This term we will also be looking at the circus. We will learn what a circus is and when the first one was discovered and who by. We will also focus on the changes in them over time and the reason for these changes.

Maths:

During this Term we will be focusing on these areas:

- Addition and subtraction within 10
- Place value
- Shapes

Christianity

Does God want children to look after the world?

What gifts might Christians in my town have given Jesus if he had been born here rather than Bethlehem?

ICT:

This term they will be learning all about how to stay safe online.

We will be grouping and sorting and understanding pictograms. The children will also be using a programme called Lego Builders.

Art/D&T

We will be focusing on formal elements of art.

This will include developing a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space.

PE:

We will be focusing on Multi Skills. We will develop balance, agility and co-ordination, and begin to apply these in a range of activities using balls and beanbags.

PHSE

We will be learning about being me in my world and celebrating differences.

Year 1 Autumn Term Overview
