

**Science:** In Spring we will be learning all about Animals including humans. This topic is really fun because we get the opportunity to learn about not just animals but humans as well. We will be focusing on the digestive system, as well as different types of diets that animals eat such as, carnivores and herbivores. But most importantly, we will be learning all about our teeth and dental hygiene.

**English:** This term in English, we get to be researchers and poets as we have the opportunity to write a non-chronological report about the Ancient Greeks and what they achieved. We will be writing instruction on how to defeat the vicious Minotaur and finally, we will be able to get creative and learn all about different types of poetry and even write some of our own.

**Humanities:**

This term in humanities, we will be learning all about the Ancient Greeks. We will delve into their history of rich culture, inventions, beliefs and what they achieved as a civilization.

**Maths:** For our Spring term in maths, we will be learning all about multiplication and division. We will be exploring different styled questions and what methods we could use to figure them out. For our fractions and decimals topics, we will be learning how we can add and subtract proper fractions and decimals.

**Year 4**  
**Spring**  
**Topic**  
**Overview.**

**Computing:** This term, in computing we will be learning all about how to adapt creative designs for different audiences. To do so, we will be creating our own logos, writing multiple varieties of written work using different platforms and software and creating our own animation.

**Art/D&T** - For our Design and Technology topic, we will be making our own biscuits. Not only will we be making them but we will be designing and adapting a recipe and packaging for them. For Art, we will be focusing on the style 'Chromatic' and experimenting with our sketchbooks.

**RE-** In our Autumn term, we will be focusing on the religions of Buddhism and Christianity. For our Buddhism topic, we will be exploring what Buddhist do to have a happy and pure life. For our Christian topic, we will be investigating about forgiveness and how we can forgive those who have wronged us.

**PE:** This term in P.E we will be focusing on 'Gym Sequences' where we can explore how to move our bodies in different sequences. We will also be taking part in 'boot camo', where we push our determination and stamina to the test.

**RSHE:** This term we will be learning all about our Dreams and Goals and how we can achieve them. We will also learn all about being healthy and how we can look after ourselves and make good choices.
