

Science

This term we will be looking at materials. We will be focusing on the different materials and their properties. We will look at what materials make a good umbrella and how we choose a good set of curtains.

We will also look at seasonal changes with a focus on Spring.

English

We will write a non-chronological report based on 'The Gingerbread Man'. We will also write one based on dragons linked to our learning about castles. In the second half of the term, we will read Hansel and Gretel and write a setting description for the cottage. Throughout, we will review sentence structure – understanding subject and verb.

Humanities

To begin with, we will look at kings, queens and castles throughout history with a focus on the first ever king and queen. We will also visit Warwick Castle. In the second half of the term, we will be learning about hospitals and healthcare. In Geography, we look at our local park. This will be a fieldwork unit so we will visit the park.

Maths:

During this term we will be focusing on these areas:

- Addition and subtraction within 50
- Place value
- Doubles
- Fact families

Year 1 Spring Term Overview

We will answer the following questions:

Islam

Who is God to muslims?

Christianity

Why was Jesus welcomed like a king by the crowds on Palm Sunday?

ICT:

This term they will be learning all about how to use the cursor keys to move up and down around a maze.

Art/D&T

We will be focusing on chromatic art and answering the question 'Does abstract art mean anything?'

PE:

We will be focusing on gymnastics. We will develop an understanding of a balance and how to change it in a sequence of moves.

PHSE

We will be learning about dreams and goals and healthy me.
