1. STATUS

- a. Statutory

2. INTRODUCTION

- a. We follow the Equality policy of the City Learning Trust (CLT), which complies with the requirements of the Equality Act 2010. The Act aims to promote a fair and more equal society to protect individuals from unfair treatment. Nine characteristics are protected under the Act which can be found in the CLT equality policy.
- b. In addition, the following is specific to Mill Hill Primary Academy:
 - i. We focus on the well-being and progress of every child and all members of our community are of equal worth. We believe that the Equality Act provides a framework to support our commitment to valuing diversity, tackling discrimination, promoting equality and fostering good relationships between people. It also ensures that we continue to tackle issues of disadvantage and under-achievement of different groups.

3. APPROACH

- a. Our approach to equality is based on the following core principles:
 - i. **Every child is special and of equal value.** Whether or not they are disabled, whatever their ethnicity, culture, national origin or national status, whatever their gender and gender identity, whatever their religious or non-religious affiliation or faith background and whatever their sexual orientation.
 - ii. **We recognise, respect and value difference and understand that diversity is a strength.** We take account of differences and strive to remove barriers and disadvantages which people may face, in relation to disability, gender, religion, belief or faith and sexual orientation. We believe that diversity is a strength, which should be respected and celebrated by all those who learn, teach and visit here.
 - iii. **We foster positive attitudes and relationships.** Through our school values and work on British values we actively promote positive attitudes and mutual respect between groups and communities different from each other.
 - iv. **We foster a shared sense of belonging.** As one of our core values, we want all members of our school community to feel a sense of belonging within the school, the wider community and our global community. We aim for children to feel that they are respected and able to participate fully in school life.
 - v. **We observe good equalities practice for our staff.** We ensure that policies and procedures benefit all employees and potential employees in all aspects of their work, including in recruitment and promotion and in continuing professional development.
 - vi. **We have the highest expectations of all our children.** We believe that all pupils can make at least good progress and ensure that they believe this too. We work hard to ensure that they achieve to their highest potential.
