

Science

This term we will be looking at Plants. We will be investigating the different types of plants and trees. We will be investigating wild flowers and what are their properties.

We will look at seasonal changes as we begin to enter summer. Comparing what is happening to the trees and plants in our local environment.

English

This term we will be continuing to use sentence squares to help us to build our sentences. We start off the summer term re-telling The Jack and the Beanstalk tale. Moving on from that we will be writing a set of instruction on How to Grow a Plant. In summer 2 we will be writing an advertisement to get people to join our pirate crew and finish off the year with poetry.

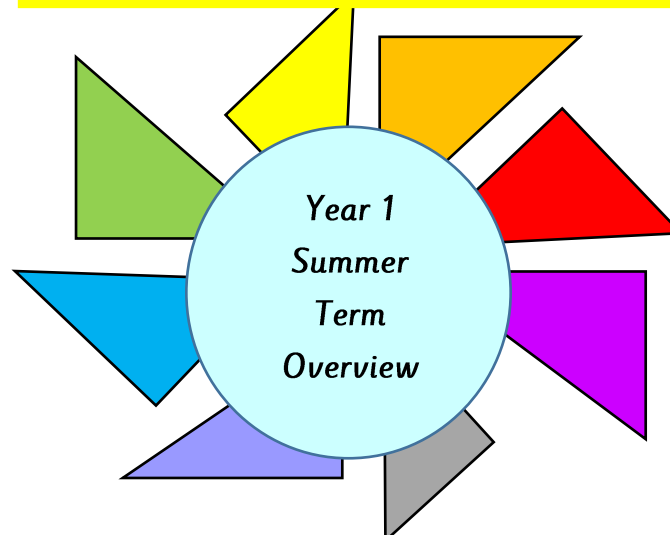

Humanities

In Humanities we will be concentrating on History. We will be researching our local area, looking at famous people and what Stoke on Trent is known for.

Maths:

During this Term we will be focusing on these areas:

- Multiplication and division
- Fraction
- Position and direction
- Place Value
- Money - Time

Judaism

Is Shabbat important to Jewish Children?

Does visiting a synagogue help Jewish children feel closer to God?

We will be finding out all about Shabbat, when it happens and why it is special. After that we will look at the place of worship that Jews attend.

ICT:

This term they will be learning all about how to log on to Purple Mash.

We will be exploring coding and how to make code. We will also look at technology around us.

Art/D&T

We will be focusing on Monochromatic (using one colour only). We will investigate what a drawing is.

Music

The focus this term on sounds from the seaside, on the land and under the sea.

PE:

We will be focusing on gymnastics. We will develop balance and co-ordination, and begin to apply these in a range of sequences, travelling within a routine and posture.

PHSE

We will be learning about being me in my world and celebrating differences.
